### ATTENTION VFW POST 5157 MEMBERS!

We are pleased to announce, VFW POST 5157 is proud to have partnered with Positive Energy Electricity Supply, LLC, a **Connecticut-based** discount electricity provider, to offer our valued customers a lower rate on their monthly CL&P or UI electric bill.

The current monthly savings for Residential customers is 5–15% on the Generation Service Charge portion of your monthly bill and as much as 18% for Commercial customers. The average household will **save approximately \$5-\$20 a month or more**. *Why pay more?*

At VFW POST 5157, we are always trying to provide our members with the most economic energy solutions available in the marketplace. Positive Energy Electricity Supply offers one of the lowest electric rates in Connecticut.

- Enrollment is **FREE**, **No** Long Term Contract, **No** Cancellation Fee, **No** Deposit, **No** Credit Check
- Absolutely **NO STRINGS ATTACHED!**
- SAME POWER. SAME BILL. **LOWER PRICE!™**
- **The only change you will see is the monthly savings.**
